

Top Secret Mission

Mission: Operation Shine Case File X0004

**** CONFIDENTIAL – FOR PAWSITIVE AGENTS ONLY ****

You've been selected for an elite mission to tidy up with teamwork, sweep in some smiles, and leave the world (or at least the clubhouse) a little brighter than you found it!

- 1) Choose your tool of kindness—broom, duster, sponge, or smile—and help tidy up a space today. While you clean, think about how kindness is just like a good scrub—it clears out the mess and makes room for joy.
- 2) Say something encouraging to your cleanup crew (even if it's just you!).
Try: "You're making this place shine—great job!"
- 3) Draw or write about your dream clubhouse—what would it look like, feel like, and what awesome acts of kindness would happen inside?

When you're done making the world a little tidier, report to HQ (Code Name: Snack Drawer) and color in your Operation Shine Badge.

Mission shiny clean complete!
