

Spook-tacular Mission

Operation Wise Owl Case File X00025

**** CONFIDENTIAL – FOR PAWSITIVE AGENTS ONLY ****

Mission Values: Curiosity & Judgment

Your Mission:

- 1) Ask three curious questions today—about anything! (Why do bats sleep upside down? How do pumpkins grow so big? What's Bixby's favorite treat?)
- 2) Use wise judgment to help someone—like giving good advice, making a fair choice, or helping a friend think through a problem.
- 3) My Howl-o-ween Chronicles: Draw or write about a time when being curious or making a wise choice helped you or someone else.

When you've completed your mission, report to HQ (Code Name: Snack Drawer) and color in your Wise Owl Badge.

Wise Owl Badge

Awarded for showing that curiosity and good judgment are a winning combo.
